

PRIVACY POLICY

Introduction

1. This Privacy Policy is the online privacy policy of Caeneus Minerals Ltd (**Caeneus Minerals Ltd**) and it applies to all personal information collected by Caeneus Minerals Ltd. This Privacy Policy explains how and why Caeneus Minerals Ltd collects your personal information, how that information may be used, and what controls you have over Caeneus Minerals Ltd's use of it.
2. Caeneus Minerals is committed to complying with Commonwealth legislation governing privacy of personal information by businesses and to protecting and safeguarding your privacy when you deal with us.

Collection of Information

3. Some information provided to us by shareholders, customers, contractors and other third parties might be considered private or personal. Without these details we would not be able to carry on our business and provide our services to you. We will only collect such personal information if it is necessary for one of our functions or activities.
4. In particular, Caeneus Minerals Ltd collects personal information from people in the following situations:
 - If you contact Caeneus Minerals Ltd, we may keep a record of that correspondence; and
 - When you submit your e-mail address to our website mailing list.
5. At or before the time the personal information is collected by us, we will take reasonable steps to ensure that you are made aware of who we are, the fact that you are able to gain access to the information held about you, the purpose of the collection, the type(s) of organisations to which we may disclose the information collected about you, any laws requiring the collection of the information and the main consequences for you if all or part of the information is not collected.

Use of information collected and disclosure of personal information to others

6. We may use or disclose personal information held about an individual for the primary purpose for which it is collected (eg. provision of our services, including administration of our services, notification to you about changes to our services, record-keeping following termination of our services to you and technical maintenance). We may also use such information for a purpose related to the primary purpose of collection and where it would reasonably be expected by you that we would use the information in such a way. This information is only disclosed to persons outside our business in the circumstances set out in this Privacy Policy or as otherwise notified to you at the time of collection of the information.
7. In addition, we are permitted to use or disclose personal information held about you:

- Where you have consented to the use or disclosure;
- Where we reasonably believe that the use or disclosure is necessary to lessen or prevent a serious, immediate threat to someone's health or safety or the public's health or safety;
- Where we reasonably believe that the use or disclosure is necessary to lessen or prevent a serious, immediate threat to someone's health or safety or the public's health or safety;
- Where we reasonably believe that the use or disclosure is necessary to lessen or prevent a serious, immediate threat to someone's health or safety or the public's health or safety;
- Where we reasonably believe that the use or disclosure is reasonably necessary for prevention, investigation, prosecution and punishment of crimes or wrongdoings or the preparation for, conduct of, proceedings before any court or tribunal or the implementation of the orders of a court or tribunal by or on behalf of an enforcement body.

Caeneus Minerals Ltd encourages users to be aware when they leave the website and to read the privacy statements of each and every website that collects personally identifiable information.

Security and storage

9. Caeneus Minerals Ltd places great importance on the security of all information associated with our shareholders, clients and contractors. We have security measures in place to attempt to protect against the loss, misuse and alteration of personal information under our control.
10. Personal information is de-identified or destroyed securely when no longer required by us.
11. Caeneus Minerals Ltd retains the information you provide to us, including but not limited to your contact and credit card details to enable us to verify transactions and customer details and to retain adequate records for legal and accounting purposes. This information is held on secure servers in controlled facilities.
12. Information stored within our computer systems can only be accessed by those entrusted with authority and computer network password sanctions.
13. No data transmission over the internet can be guaranteed to be 100 percent secure. As a result, while we strive to protect our user's personal information, Caeneus Minerals Ltd cannot ensure or warrant the security of any information transmitted to it or from its online products or services, and users do so at their own risk. Once Caeneus Minerals Ltd receives your transmission, it makes every effort to ensure its security on its systems.
14. Ultimately, you are solely responsible for keeping your passwords and/or account information secret. You should be careful and responsible whenever you are online.

Access to and correction of personal information

15. Caeneus Minerals Ltd is committed to maintaining accurate, timely, relevant and appropriate information about our shareholders, clients and website users.
16. So long as your request for your personal information is in accordance with the National Privacy Principles, then we will give you access to that information.

17. Inaccurate information will be corrected upon receiving advice to this effect from you. To ensure confidentiality, details of your personal information will be passed on to you only if we are satisfied that the information relates to you.
18. If we refuse to provide you with access or correct the personal information held about you by us, then we will provide reasons for such refusal.

Complaints

19. If you have a complaint about our Privacy Policy or the collection, use or safe disposal or destruction of your personal information, your complaint should be directed in the first instance to us via email.
20. We will investigate your complaint and attempt to resolve any breach that might have occurred in relation to the collection, use or destruction of personal information held by us about you in accordance with the Commonwealth Privacy legislation. If you are not satisfied with the outcome of this procedure then you may request that an independent person (usually the Commonwealth Privacy Officer) investigate your complaint.

Transfer of information overseas

21. Pursuant to the National Privacy Principles, we may transfer personal information we have collected about you to someone other than you in a foreign country only if such transfer is permitted by the National Privacy Principles.

Cookies

22. Caeneus Minerals Ltd collects information from the site using "IP files".
23. When you visit the Caeneus Minerals Ltd website to read, browse or download information, our system will record/log your IP address (the address which identifies your computer on the internet and which is automatically recognised by our web server), date and time of your visit to our site, the pages viewed and any information downloaded. This information will only be used for the purpose of site analysis and to help us offer you improved online service. We may automatically collect non-personal information about you such as the type of Internet browsers you use or the site from which you linked to our website. You cannot be identified from this information and it is only used to assist us in providing an effective service on our website.

Changes to Privacy Policy

24. If Caeneus Minerals Ltd decides to change its Privacy Policy, it will post changes on this Privacy Policy page so that users are always aware of what information is collected, how it is used and the way in which information may be disclosed. As a result, please remember to refer back to this Privacy Policy regularly to review any amendments.
